

In re TURNER ET AL., Application No. 09/705,395
Amendment C

Amendments to the Specification:

Please replace the paragraph beginning on page 10, line 12, with the following amended paragraph:

As used herein and contemplated by the present invention, computer-readable medium is an extensible term including is not limited to memory and storage devices and other storage mechanisms. ~~Rather, computer-readable medium is an extensible term including other storage and signaling mechanisms including interfaces and devices such as network interface cards and buffers therein, as well as any communications devices and signals received and transmitted, and other current and evolving technologies that a computerized system can interpret, receive, and/or transmit.~~
